January Birthdays

In astrology, those born between January 1–19 are Capricorn's Goats. Goats are practical, determined, and focused on ambitious goals. They follow a straightforward, well-planned path and persevere with grit and honesty. Those born between January 20–31 are Water Bearers of Aquarius. Water Bearers are creative and intellectual philosophers at heart, getting to the root of problems and using their energy and passion for the benefit of others.

Resident of the Month

Norma Puckett

Norma was born and raised in East Bend, NC. She was married to her husband John for over 50 years and has a son and daughter. Norma loves to be around people especially her great grandson, "Noah" who visits regularly and is in this photo with her. She also has three granddaughters amongst a very loving family. Norma and her family moved to Oklahoma City for three years where she retired from Western Electric. She is a big Alan Jackson fan and enjoys gospel music. She can play the piano by ear, doesn't miss a game of bingo and likes getting manicures. Norma loves to laugh and always has a smile to greet you with. My favorite thing about Norma is that she has such an honest sound of laughter, which makes me laugh as well.

Employee of the Month

Naomi Foster

Naomi was born in Brooklyn, New York, her family moved to Jonesville, NC when she was one. Naomi likes to travel, go to the movies, spend time with family and go shopping. Her future goals are to become an x-ray technician and possibly go into the cardiovascular field. She loves R&B music, some rap, gospel, or any music that sounds good.

Naomi's favorite food is cheeseburgers, pizza, macaroni and a few others, including fruit. She has worked at Clemmons Village I for 2 ½ years. Stating the best thing about her job is seeing smiles on the residents' faces and knowing they are well cared for.
