It should be easy to be healthy this month simply remembering to beat the heat by eating lots of fresh fruits and vegetables. Stay hydrated by drinking plenty of water and enjoy a cold glass of iced tea as we recognize iced tea month. Be mindful to say something nice on the first day of

June. We will honor the stars and stripes on Flag day by wearing red, white and blue on the 14th.

Father's day will be celebrated with a prime rib

luncheon on Sunday, June 17, 2018. If your family members would like to join us for lunch please note a RSVP is requested to allow for proper seating. Please send

RSVP to Carolyn or Randy by calling 336-443-9730, or email: cflynn@clemmonsvillage.com.

Mark your calendars and stop in for a special evening of music by the Craft Brother's Quartet on the 21st starting at 6pm. Also enjoy an afternoon Art Show with refreshments on June 23rd. View charcoal art work by Alvin Howard which are reflections of Davie Co. Memories, oil paintings by George Huffman and other local artist.

Our lunch bunch group has chosen Alex's Grill in Lewisville to venture out for an afternoon of fun and cold treats. We are also planning a bag lunch day trip to the Greensboro Science Center. If you would like to join us on an outing please contact Carolyn and we will make arrangements for your attendance. We trust you will have a wonderful summer here with us, so don't be shy, feel welcomed to come participate, and you just might leave with a grin.

June Birthdays

In astrology, those born between June 1st and 21st are Gemini's Twins. The Twins represent energetic communication and interaction. Curious Geminis love to collect and share information. Witty and intellectual, they attract many friends, mentors, and colleagues. Those born between June 22nd and 30th are Crabs of Cancer. Kind and protective, Crabs love to nurture others. While they may be emotional, they are never soft. Cancers are tenacious in their pursuit of domestic harmony.

WELCOME

Herbert Alexander was born in W-S, attending his school years at Clemmons school. Herbert met his future bride Betty Brandon at Clemmons school, they married in November 1948. This beautiful couple will celebrate their 70th anniversary this year. They have two daughters, three grandchildren and two great grandchildren. At a very young age Herb began

beekeeping. Thru the years he has helped young keepers with his experience and extensive knowlegde of this art. He is a member of Yadkin Co. Beekeepers Assn. His son-in-law and two grandchildren will be following in his footsteps and carrying on his love for the bees. He retired from Taylor Bros. Tobacco Company. He enjoyed several hobbies, including hunting, fishing, and woodworking. Among his wood working accomplishments he built a 22 foot cabin cruiser boat and a banjo with mother-of-pearl inlay. Herbert and Betty enjoyed traveling, especially to the beach and mountains. He enjoys Bluegrass music, Nascar and baseball. He loved gardening and was always very proud of his "Dolly Parton" tomatoes! He is known as "Daddy", "Gramps", "Poppy", and "Herb". He's a pretty special person and we hope you'll take the time to make him feel welcomed.

Chester Lawrence Hollifield, Sr,

I am now known as "Holly", which came about when I became Papa Holly to my 2 grandsons. I grew up the 3rd son of 7 children. I had 2 older brothers, a sister, twin sisters and then another brother. The 2 older brothers and sister are deceased. I am now the oldest of the family at age 91. I lived in Greensboro and was a boxer in my youth. I joined the Seabees of the Navy the day of my 17th birthday and served proudly for 2 years until the war was over. I used the GI Bill to obtain an education and was grateful for it. I married a beautiful young woman at age 21 and promptly had 2 children, a girl and boy. In those early years I sold insurane and owned my own office. A surprise daughter arrived 14 years later just as I had left the insurance business to become a Court Reporter for the Federal Court of NC. I loved the work, but it required me to travel all over the state and be away from home. Those were challenging years. I spent many hours doing crossword puzzles, playing scrabble and golf. I developed my own business, training other court reporters, while serving the courts. I retired successfully from the court after 28 years of service. My wife and I then traveled the USA and Canada in our RV and fell more in love with the country. Betty, my wife, died in 2000. I was bereft for several years until 2008 when I met my current wife, Joyce, with whom I have shared many wonderful adventures, like ballroom dancing and traveling the world.

Vivian Cummings

Is originally from Oklahoma. Vivian has a large loving family who she delightfully enjoys. Her interest are listening to gospel music, playing bingo, shopping, sewing, making jewelry and reading the bible.
