## Watercolor Your way through July

July is World Watercolor Month and in appreciation of this wonderful art form we will focus our art in this medium all month long. While it appears to be an easy method of painting, it takes years to become accomplished. Luckily, the low cost of watercolors allows most anyone the chance to paint with this enduring art form. June was an exciting month as we enjoyed a day trip to the Greensboro Science Center, intergenerational visits from The Sunshine House, lunch bunch at Alex's Grill in Lewisville, and local artist provided a Saturday Art Show for our family and residents. Special thanks to our artist, Alvin Howard, George Huffman and Steve Matthews for providing all the neat and colorful art work and woodworking creations.

Looking ahead, we hope you can join us for our **Family Night on July 12<sup>th</sup> from 6-8 pm** **We will have an Ice Cream Social in the courtyard.** Our guest speaker will be Selene Teague of Mountain Valley Hospice. Be informed with Hospice 101.

On July 4<sup>th</sup> Chef Randy and the dining staff will be celebrating Independence Day with a hot dog lunch. The celebration of patriotism will fill our halls all month with fun photo props to enjoy throughout the community. Keep your eyes open and your smiles big, never know when the camera might catch you.

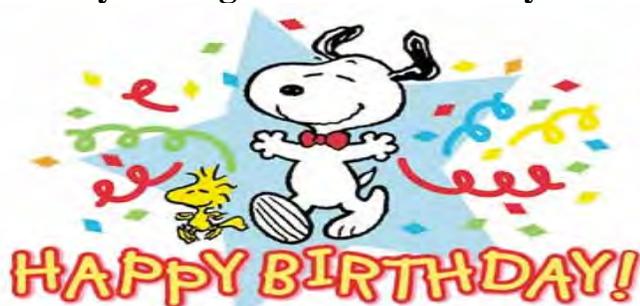

Enjoy What You Do,

*Carolyn Flynn, Life Enrichment Director*
