October, Autumns Delight

Autumn delights us all in a special way, falling leaves amidst a cool day, and bright colorful mums in your doorway. The smell of baked pumpkin bread spices up your nose as it drifts in your open windows. Carved jack-o-lanterns that light the way, a day at the fair awaits all those who want to play.

The spookiest month of the year has arrived, and with it, a calendar full of goofy holiday crafts, seasonal outings, and a howling Halloween party. Hopefully we are done with all the bad weather and autumn will allow for cooler outdoor activities. Our 5th Annual Cruise In was cancelled due to Hurricane

Florence. We are hoping to reschedule this event next Spring. Our community will be attending the Dixie Classic Fair on October 2nd. And dining at the Daniel Boone Inn on October 10th.

Our volunteer sign-up sheet is posted at our nurses station for your convenience, or just send me an

email (cflynn@clemmonsvillage.com) if you want to go with your family member on any of these outings. Thank you for all those who support the activity department all year through. We will be collecting clothing, bedding, or any items willing to be donated for Hurricane Florence victims, please see Carolyn.

Please welcome our New Resident Care Coordinator

Haley Trivette, RN!

Haley has experience working in Long Term Care in this very building! She worked in our facility for four years, first as a CNA, then a Med Tech. She achieved her RN degree and went to work at Baptist Hospital. Haley missed working with the residents and is eager to come back and work with our residents and staff at Clemmons Village I. We are very excited to welcome Haley to our Clemmons Village I Management team. Please be encouraged to introduce yourself as Haley will be happy to get to know you if she doesn't already.

October Birthdays

In astrology, Libras are those born between October 1–22. Libras, symbolized by the scales, strive for balance, avoid conflict, and desire fairness for everyone. To achieve this, they are sociable, strategic, charming, and diplomatic. Those born between October 23–31 are Scorpios. Scorpios are passionate and deep, qualities that help them counsel others in meaningful ways. Resourceful and determined, Scorpios make good managers.

Resident of the Month

Janice Brown

Janice is originally from Statesville, N.C.; but she also lived in New Jersey for many years. Her knowledge of electronics made her occupation at Western Electrics something she looked forward too. Her favorite activities are jewelry making, crafts, bingo, and lunch bunch group outings to

restaurants. Normally she doesn't miss our courtyard ice cream socials or any opportunity to venture out on an outing. She loves jazz, Motown, and R & B music, fried chicken livers and going to the movies. Her easy going personality makes her enjoyable to be around. You should join her on one of our outings coming up. I do believe you'll enjoy your time visiting with Janice.

Congratulations Employee of the Month

Evelyn Taylor

Evelyn's hometown is Wadesboro, N.C., but she currently lives in Winston-Salem. Evelyn has one daughter who she truly adores and dearly loves. We welcomed Evelyn to our team back in June of this year. We have enjoyed her bubbly and passionate personality as she seems to have a heart of gold. Her sense of

humor and crazy jokes she tells has been uplifting and contagious to both staff and our residents. Two of her favorite hobbies are swimming and dancing as she finds them therapeutic. She enjoys calling her goals stepping stones, because she likes to live one day at a time. Her Grandma used to tell her "life is what happens to us while we are making other plans". Evelyn states her favorite part of her job is to see the difference she makes showing love and respect. All of the residents have different personalities and you can learn something new every day when you listen and care.
