Resident Spotlight Naomi Venable

Naomi Venable was born March 12, 1933 in Patrick County, Virginia to Edward and Jo Hiatt. She was the last of 5 children.

Naomi graduated from Mt. Airy High School in 1952. She then lived in New York City for several months and was accepted into Hunter's College.

She returned to Mt. Airy, NC in her late teens. She recalls playing Crack the Whip and her skating days with Andy Griffith.

Naomi moved to Winston-Salem in 1953 and did clerical work in the Private Diagnostic Clinic at Bowman Gray Hospital.

She has three beautiful and healthy children: Jamie, Dru, and Nancy. She considers her children her greatest accomplishment. She also has four grandsons and two great grandsons.

Naomi is very spiritual and puts her faith in the Lord. She credits the Lord for her inner strength and fortitude to face life's many challenges. Although she is Deaf, Naomi counts it a blessing from Heaven that she could raise her three children and communicate with people because of her unusual gift of being able to lip-read those who enunciate clearly.

Naomi loves a good bargain. She has always enjoyed shopping at Thrift shops and has come across many treasures.

She once was an Elder at Morris Cerullo's Evangelical Ministry, and traveled to conventions across the United States.

Naomi has been a resident at Clemmons Village II for over 11 years. She would personally like to thank Kathy Briggs for the many kind things that she has done for her over the years. She will always miss and be grateful for her.

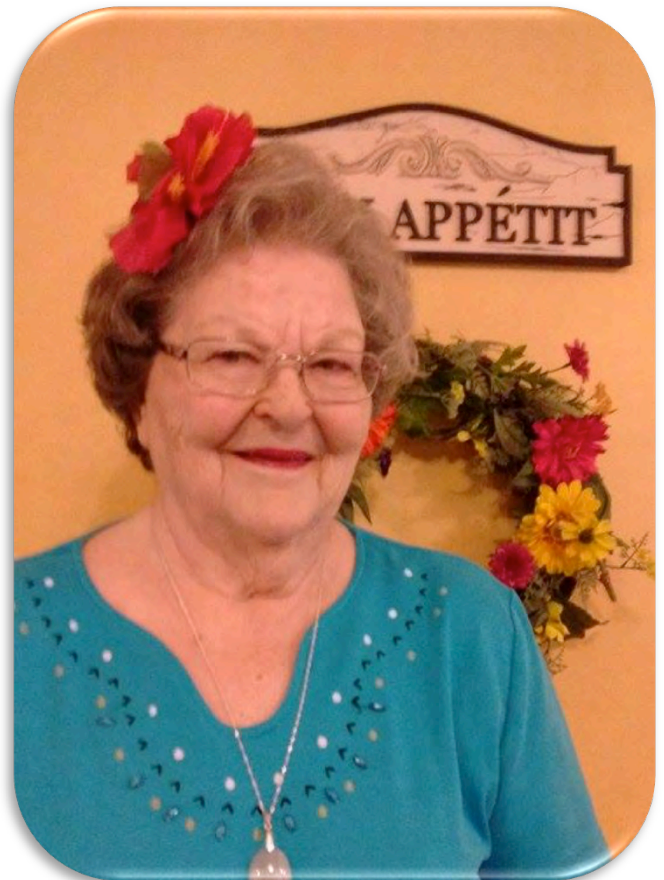

Naomi is very active in the many activities offered at Clemmons Village. She especially loves to play Bingo, and has rarely missed a game in 11 years. She has tithed every quarter and dollar she has ever won to Peter Popoff's Evangelical Ministry. Maybe that is why she is so blessed! ☺

Naomi's son, Jamie, and his wife, Theresa, own a wine store in Mooresville, NC. They, along with her daughter Dru, hosted a gourmet wine tasting along with many delicious Hors d'oeuvres for our most recent Family Night.

(Venable continued)

Dru visits her mom several times a week and brings her precious grandson, Sawyer, to visit as well. Dru has been so kind and generous to the residents and staff in so many ways! I guess it's true what they say, that the apple doesn't fall far from the tree.

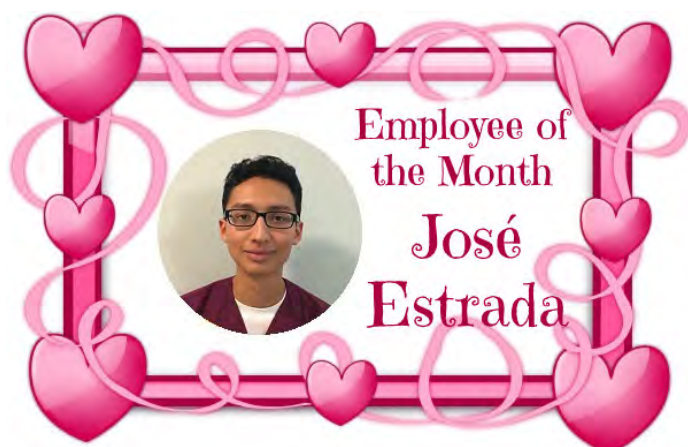

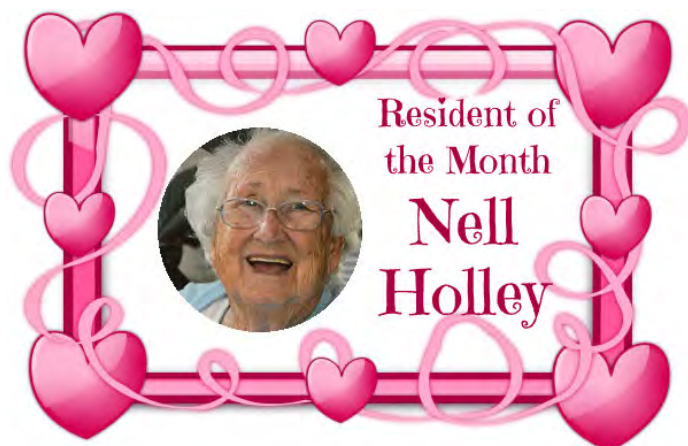

Thank you Naomi for being such a special member of our Clemmons Village family. You will never know how much you mean to each of us. We love and appreciate you more than words can say!♥
