The Activities are HOT This Month at Clemmons Village II!

We are looking forward to the many exciting activities we have planned for this summer fun month. Just take a look!

We will load up the bus and take a trip to the Piedmont Triad Farmer's Market and enjoy some good ol' home cookin' at the Moose Café. Did I mention homemade ice cream?

Our awesome group of men will enjoy a morning of Cornhole and a KFC picnic lunch with all the fixin's.

The residents are looking forward to an afternoon with Elvis. We will enjoy singing, dancing, and ice cream floats.

The residents will also enjoy activities such as Musical Memories, Veterans Social, Subway and Walmart, Ice Cream Sandwiches, Ba-Da-Bling Jewelry Show, weekly movies and popcorn, Root Beer Floats, crafts, Watermelon Cupcakes, special music and entertainment, "Gotcha", Rice Pudding, Jewelry Class, Giggles & Guffaws, Cooking with Kathy, Sunday Sundaes, Jackpot Bingo Tournament, Creamsicles, Magic Water Balloons, Fun in the Sun!, Lemonade Shakes, Wacky Word Play, Monkey Business, Chocolate Dipped Frozen Bananas, Indoor Camping, S'mores, Celebrate Life, and much more!

Bingo has benefits! Really? Believe it or not, it has MANY benefits. Cognitive skills – knowing the rules and strategy of the game, physical skills – fine motor manipulation of the cards and visual acuity, social skills – taking turns and engaging in conversation with other players, and emotional skills – feeling positive, enjoying the experience, and coping with competition, and winning and losing. Not only is Bingo fun and enjoyable, it can be very beneficial and therapeutic. This being said, I am convinced to throw in a few extra rounds of our favorite game this month.

Please feel free to contribute to our monthly newsletter by sending in family recipes, jokes, stories, or biographies of your loved ones. We look forward to printing them in our upcoming newsletter.

Once again, thank you for your never-ending support!

In Loving Memory Of Our Treasured Friend, Lucky

Lucky Simon was born April 5, 2006 in Marion, NC. His breeder was Marcy Vance, who owns and operates Marcy's Golden Retrievers.

We called Lucky our little Angel from Heaven because he brought so much love and joy to our lives, ever since he was born.

When Lucky was 6 months old, he and I enrolled in beginner classes at the WSDTC, which is the Winston-Salem Dog Training Club. We continued taking classes for about a year and 2 months. During that time, Lucky achieved his CGC, **Canine Good Citizen Certification**, and his TDI, which stands for **Therapy Dog International Certification**.

Lucky began visiting the residents of Clemmons Village in early December 2008 and earned his position on the Clemmons Village monthly calendar. He loved to visit every Thursday, from 1:00pm until he was finished visiting. At that time, he would be ready for a nap; and unless I took him home, he would make himself right at home at Clemmons Village, close his beautiful brown eyes, and take a nap right there.

In his spare time, Lucky liked to hang out with his Gramma, Mommy and Daddy, wherever we were is where you would find him. He loved to go on car rides to Emerald Isle, NC for vacation time and to Reynolda Gardens in Winston-Salem for weekly family walks. He also enjoyed play time in our fenced in backyard, and walks around Sequoia neighborhood in Lewisville.

We send a special heartfelt thank you to Kent and Lucky. Lucky touched the lives of every resident at Clemmons Village. Your precious memory will remain in our hearts forever, we love you Lucky!

In the Good Ol' Days of August

In August 1947, the average annual income was \$3,456. Minimum wage was 40¢ per hour. The average cost of a new house was \$13,000. A loaf of bread was 12¢, a dozen oranges were 49¢, and postage stamps were 3¢ each. A ticket to a movie was 35¢. A car cost \$1,500. But best of all, gasoline was 23¢ per gallon—even cheaper than a gallon of milk, which was 80¢.

August Birthdays

In astrology, those born between August 1–22 are Leo's Lions. Lions are the "kings" of the zodiac: dramatic, ambitious, confident, and hard to resist. Leos are also generous and loyal, putting both their family and friends first. Those born between August 23–31 are Virgos. Detail-oriented Virgos have a deep sense of humanity, a trait that makes them careful, tender, and practical. Since all that attention to detail is put into the service of others, Virgos make perfect humanitarians.
