Countdown to Summer

The countdown to summer started on Memorial Day as our wonderful volunteers like Janet Hutchens, Josh Gardner, Rev. Mark Brown, and Mr. William Huffman of the American Legion Post 522 set the stage for our Memorial Day Celebrations. In honor of our deceased veterans a memorial wreath was donated and placed at our Veterans Memorial under the Flag pole in the front of Clemmons Village I. As summer rolls along you will find lots of fun meaningful activities to participate in. This month we have planned a fishing trip and picnic, our lunch bunch group heads out to Alex's Grill in Lewisville. Other fun plans include making Cheerwine floats, banana splits, a pool party, and courtyard socials with watermelon seed spitting contest. Along with all the other great monthly events like Carmike cinemas, smoothies and a Father's Day lunch by Chef Randy.

Please come join us for our Caregiver & Grief Support Group on June 8th at 3:30 pm. This event is sponsored by Mountain Valley Hospice. We will have refreshments and important information to assist your family through difficult times.

As always, my aspiration and intention is to raise the bar for the quality of life provided for our residents at Clemmons Village 1. The purpose of activities is not to kill time, but to make time live; not to keep a resident occupied, but to keep him or her refreshed; not to offer an escape of life, but to provide a discovery of life on a daily basis! We at Clemmons Village understand that we are not merely taking care of an individual, but an entire family. Thanks for letting the entire staff and I share in the lives of your family and precious loved ones.

Enjoy What You Do, *Carolyn Flynn, L&ED*

June Birthdays

In astrology, those born between June 1–20 are Twins of Gemini. Twins have two distinct and alluring sides to their personality: sociable and ready for fun, or serious and thoughtful. Sometimes they feel as if one half is missing, so they forever seek new friends. Those born between June 21–30 are Cancer’s Crabs. Kind and protective, Crabs love to nurture others. While they may be emotional, they are never soft. Cancers are tenacious in their pursuit of harmony at home and in the workplace.

Resident of the Month

Bob Martin

Mr. Martin was born in High Point, NC. He served in the US Marine Corp as a Military Policeman and later served the Winston-Salem and High Point area as an Attorney.

His interest are hunting, fishing, playing golf and spending time with his family. He also likes going out to eat with his children and grandchildren which he does often. Bobby keeps up on the local and national news and enjoys reading the W-S Journal and enjoying some bluegrass and Moravian music when available. He is a member of Bethania Moravian Church and on occasion he will lead our meal time prayers with the Moravian blessing. You can find Bobby visiting and talking with neighbors, going out to eat, and sharing his Military service in our Veteran’s Club.

Employee of the Month

Britta Bryant

You may not see Britta as she has moved to third shift doing a super job. Britta has faithfully served our residents and family members at Clemmons Village 1 for four years. She is very delightful and always has a great attitude. Britta enjoys spending time with her

family, especially with three year old grandson. Her passions are painting, decorating and shopping. Much appreciation for a job well done. Thank you, Britta

REMINISCING CORNER

It was a beautiful toe taping afternoon as we enjoyed a visit from our very own Greg Thompson. He not only comes to make sure all is running well, but also takes the time to sit a spell and provides us with some old show tunes and good toe tapping music. Thank you Greg for all the little things.
