Fabulous Friendships Found Here

As we celebrate friendship day on August 6, 2017, we hope to inspire you with this friendship poem. Some

friendships come, and some friendships go, but best friends are forever, don't you know? Money can't buy them, they can't be found anywhere; without them we'd be lost with no one to care. They bring fond memories from school days long ago. They're the love of our parents and siblings to show. True friends are loyal

and trustworthy for life; they can also be a lover, husband, or wife. Sharing heartaches, joys, and sorrows; they're with us a lifetime and all our tomorrows. A friend indeed in a time of need; there whenever you call; always around to help you whenever you suffer a fall.

With laughter or through tears, discussing personal things, helping each other, whatever a day brings. So be kind to your friends, always treat them right, and your days will be as peaceful as a dream-filled night!

Everyone enjoyed our family night event "An evening with Elvis" look inside for great picture memories. What an exciting time we had dancing and reminiscing.

Our wood carving with Steve

Matthews was very interesting. He showed us all his cool tools, types of wood, and all his creative wood carvings, such as canes, spoons, and bowls.

It's nice to have paws back in the community again, as we have Elite Canine bringing their Fostering Friends therapy dogs for pet visits. Make sure to say hello on their next visit to our community. Thank you to our visiting teams, Michelle & Clifford and Cheryl & Santana.

As always, may you each find your days filled with laughter, love, and friendships as you enjoy what you do.

August Birthdays

In astrology, those born between August 1–22 are Leo’s Lions. Lions are the “kings” of the zodiac: dramatic, ambitious, confident, and hard to resist. Leos are also generous and loyal, putting both their family and friends first. Those born between August 23–31 are Virgos. Detail-oriented Virgos have a deep sense of humanity, a trait that makes them careful, tender, and practical. Since all that attention to detail is put into the service of others, Virgos make perfect humanitarians.

Resident of the Month

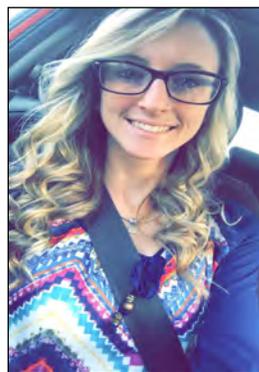

Diane Turner

Diane was born and raised in Forsyth County, graduating from Southwest High School. She enjoys needle point, cross stitching, watching jeopardy, reading historical novels, and gardening. She loves to travel to Charleston for the historical values but prefers to be shagging at Carolina or Kure beach. Diane’s favorite places to eat are Ryan’s Steak house, Alex’s Grill in Lewisville, and Cracker Barrel restaurants. Not big into sports however, she loves Nascar and Carl Edwards or anyone driving a Ford. Well, I’m sure you’ll see her dancing with friends when there’s music playing or when her favorite entertainer Lee Estrada’s’ golden oldies rolls in. So, come enjoy the music and save a dance for Diane.
