Pumpkin Decorating/Carving Contest

We would love for anyone who wants to participate in this contest (families, residents and staff) to do so if they would like. This gives everyone the opportunity to be as creative as they want! There will be a ballot box for families, residents, and staff to place their votes on their favorite pumpkin. All pumpkins are due by 1:00 on Tuesday, October 24th. They will be put out for display at 2:00 the same day and remain on display for judging until Friday, October 27th. Winners will be announced at 3:30 on the 27th. There are a lot of great ideas online! Be as creative as you would like!

Trick-or-Treating Family Night

On October 31st from 6:30-7:30, residents and/or staff's children and grandchildren are invited to come dressed up in friendly costumes to Trick-or-Treat here at Emerald Gardens with our residents, as they give out candy. We look forward to seeing all the costumes and passing out candy in return for precious memories! Contact Anna Taylor if you will be able to bring children to Trick-or-Treat, so we can make sure we have enough sweet treats for everyone! If you would like to donate candy for the children, you may bring it to Anna.

Thank you and we look forward to seeing everyone!

World Alzheimer's Day

September 21st, 2017 was World Alzheimer's Day. We had a great day that was filled with awesome activities! The residents enjoyed face painting sponsored by Weston Group, nail painting sponsored by Sharron Kessler, and decorating sugar cookies sponsored by Medical Services of America. There was singing with Vivian Woodyard, pictures with Mickey Mouse, put on by Homestead Hospice, and a water balloon toss sponsored by Health Related. To end the night, we had a wonderful supper eating hamburgers with all the residents and family members! It was a great day! The whole day was all about the Alzheimer's and Dementia residents. It was a day for them to have fun and for us all to come together and remember our residents from the past a present here at Emerald Gardens.

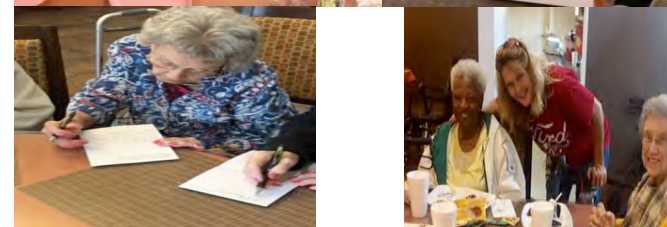

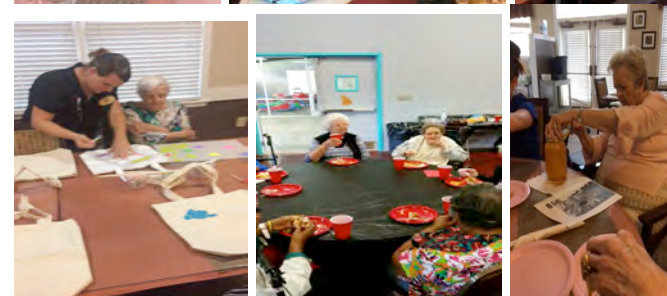

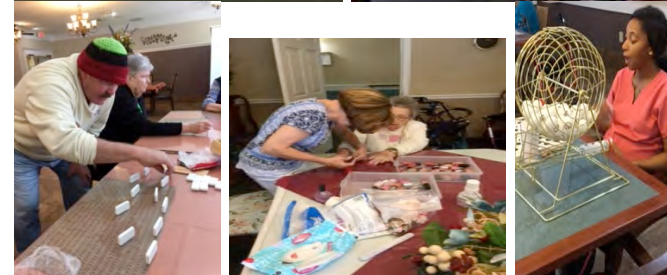

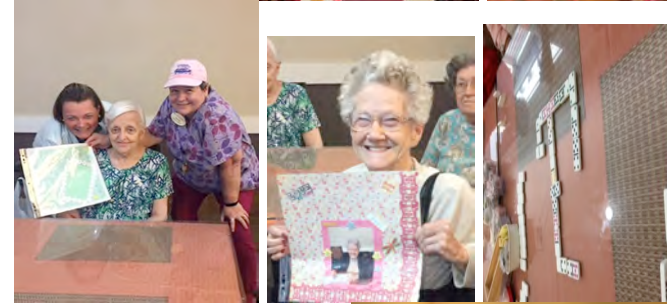

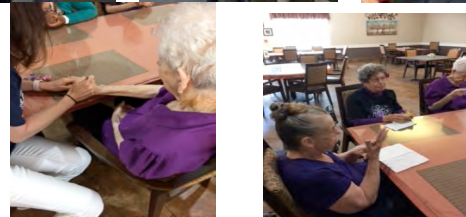

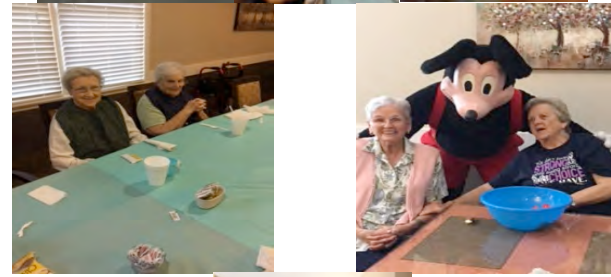

Employee of the Month

Crystal

"I am a very compassionate person. I'm proud to say that I am a mother of three beautiful teenagers. I love taking care of older people. I feel like it's a gift from God. I treasure those moments because I know I made someone happy. Doing my time when I'm not working "daily" I spend time with God studying His word!

National Assisted Living Week

Assisted Living Week was a blast! We had a week full of fun and excitement! We had bingo, several arts and crafts, a church outing, monopoly, dominoes, scrapbooking, painting pots and planting seeds, several singings, devotions, different games, cooking class, letters to loved ones, and a trip to Hamricks, etc.! Our theme this year was "Family is Forever" and it is! At Emerald Gardens, everyone is like family, and we definitely showed it all week long with the staff doing different activities with the residents interacting and having a great time!
