

TESTIMONIAL

I am writing this review to share my experience with Ivy Hall Assisted Living, located at 5690 State Bridge Road, Johns Creek. I moved my elderly aunt there three years ago after she had lived at several other senior citizen homes. We found Ivy Hall to be the best, by far. Needless to say, it was her favorite. The compassionate and professional care she received at Ivy Hall greatly assisted me in my position as her "primary caretaker" and relieved me of many concerns and duties.

Michael Patterson, Director at Ivy Hall, was extremely involved in the day to day functions of the facility. He was always available to be contacted and responded immediately. The entire staff at Ivy Hall was extremely compassionate and provided my aunt a loving, professional and clean environment.

My aunt recently passed away and she transitioned in the comfort of her apartment. The nursing staff went "above and beyond", to make her last days comfortable. I cannot begin to express my gratitude enough for Michael and the wonderful staff at Ivy Hall. Again, it is with deep gratitude that I thank you.
