" To Whom It May Concern " 1)

My thanks go out to the complete staff of Ivy Hall Senior Living. I moved into this recent Senior care (my 9th domicile since a 2002 open heart surgery made me dependent on assisted living) on May 31, 2016 and am grateful!

Staff have been uniformly helpful + pleasant. Activities are FUN + provoke discussion. Food is clean, attractive, delicious!

Nurses have answered every call - helpful!

Fellow residents are charming.

And I thank you all.

Sincerely,

June Dobbs Butts
