In astrology, those born between March 1–20 are Pisces. Friendly and selfless, Fish are always willing to help others with their hearts on their sleeves. Thanks to an intuitive understanding of life, Pisces make deep connections with other living beings. Aries' Rams are born between March 21–31. As the first sign of the zodiac, Aries are energetic and assertive initiators. With bravery, zeal, and speed, they jump headfirst into life, confident that they can navigate any challenges.
