August Birthdays

In astrology, those born between August 1–22 are Lions of Leo. Leos are natural-born leaders: confident, charismatic, creative, and warmhearted. Leos also use their humor and loyalty to bring people together to work for a common cause. Those born between August 23–31 are Virgo Virgins. Virgos are one of the most careful signs of the zodiac. They pay attention to detail, analyze problems, and plan so as to leave nothing to chance. These amazing listeners give excellent advice.
