September Horoscopes and Birthdays

In astrology, Virgo's Virgins are those born between September 1–22. Virgos are one of the most careful signs of the zodiac. They pay attention to detail, analyze problems, and plan so as to leave nothing to chance. Those born from September 23–30 balance the scales of Libra. Libras strive for balance, avoid conflict, and desire fairness for everyone. To achieve this, they are sociable, strategic, charming, and diplomatic both at work and home.
