October Birthdays

In astrology, Libras are those born between October 1–22. Libras, symbolized by the scales, strive for balance, avoid conflict, and desire fairness for everyone. To achieve this, they are sociable, strategic, charming, and diplomatic. Those born between October 23–31 are Scorpios. Scorpios are passionate and deep, qualities that help them counsel others in meaningful ways. Resourceful and determined, Scorpios make good managers.

Asking Family Members and Friends for Donations

Dear Sir/Madam:

We are raising prizes to assist with the Butter Bean Auction that is an activity that the residents have fell in love with. They use their butter beans to bid on the item that is being auctioned. Each resident receives 20 butter beans to use for bidding. The highest bidder wins the prize.

Can you help us out with a donation of a product? All donations are greatly appreciated. Your donation can be something as simple as: facial tissues, toothpaste, wrapped candy, socks, lotion, etc.

Thank you for your consideration of our request to help out the residents.

Cordially,

Rochelle Beach
