## December Horoscopes and Birthdays

In astrology, the Archers of Sagittarius are those born between December 1–21. These open-minded travelers are in constant motion, searching the globe for meaning. Curious, optimistic, and enthusiastic, they are not afraid of change and treasure freedom. Those born from December 22–31 are Capricorn's Goats. Goats are focused on lofty goals; these hardworking and determined souls will prevail with grit and resilience.

Renovations are beginning at Jenni-Lynn. So, you will see improvements throughout the facility whether it is inside or outside. We ask that you excuse our changes as we remove old damaged furniture and waiting for our new furniture to arrive. We thank each one of you for your patience during this process. # Thank you to Our Veterans November 9, 2018

**Prayers for the Veterans**  
 God of peace, we pray for those who have served our nation and have laid down their lives to protect and defend our freedom.  
 We pray for those who have fought, whose spirits and bodies are scarred by war, whose nights are haunted by memories too painful for the light of day.  
 We pray for those who serve us now, especially for those in harm's way. Shield them from danger and bring them home.  
 Turn the hearts and minds of our leaders and our enemies to the work of justice and a harvest of peace. Spare the poor, Lord, spare the poor!  
 May the peace you left us, the peace you gave us, be the peace that sustains, the peace that saves us.  
 Christ Jesus, hear us!  
 Lord Jesus, hear our prayer!  
 Amen.
