

To our family at
Clemmons Village II,

We love & appreciate all
of you for the way you
treated Tresa. She loved
every single one of you
sincerely & you will feel
like part of this family
forever. I can not say
enough to show our
gratitude. We could not
have picked a better
home for Tresa during
the final season of
her life.

With Great love,
Tresa Yarbrough's entire family
