Keep in Touch

Caring about  
how you're doing,  
and thinking  
of you often.

Thank you all so much for  
the care and understanding you gave  
Ms Julia and our family while she  
lived at your facility. We feel  
fortunate indeed that the staff of  
Emerald Gardens gave her such a  
safe and loving home. Thanks so  
much for your help.
