

Michael, Sheryl, + Emerald Garden Staff,

Thank you all so much for the beautiful peace lily that you sent Mom for her birthday while she was in the hospital. She thought it was beautiful, spoke about how pretty it was, and enjoyed it her last days on earth. If you all were so thoughtful to do that.

Thank you, too, for the lovely basket of mixed green plants you sent after her passing. It, too, was just beautiful, and still is.

We can't thank you enough for the kindness and extreme care you all showed our mom the few days she was there. So sad that it was cut so short, but we are blessed to have met you and would recommend Emerald Gardens to anyone looking for the best care in Greenwood. You were most loving and we thank each one of you for your part in trying to make her welcomed and cared for.

Thank you again,
Peggy + Beth
