

JUST A LITTLE NOTE

my dear,

Thank you so very much for calling me this evening to tell me about Anne's death. I am so very grateful that she lived at Edlock Gardens and she was so very content there and felt loved and cared for. I am filled with all kinds of memories etc. & etc. - but I am grateful to our Lord & lovingly taking her home. She is now at rest and at peace - Please use this check if way you feel lead.

Special blessings and best wishes to you and our staff. May our Lord
